Talk to the others
Speak more english
It wasn't a problem
I will try to communicate with hands or try the translator
i will try to communicate in another way
It wasn't
Start being more social with other cultural persons
work harder

**SREDNJA ŠOLA**

The English wasn't a problem, but sometimes we had to talk slower to understand each other.
Nothing it was good
talk with many people
Carry a dictionary
Try to involve the ones who didn't know english as well as me
I can use google translate, other languages and body languages
No problem for me.
Shoving with hand or find a help
Speak more with people
Maybe look at movies or series with english sound to learn in a fun way, but also go on trips like these if you have the opportunity because it is very educational and enlightning
Hand signs, google translate, switch back one forth between two languages
It was not a problem
Learn more
My english is not very good
I improve my talking english
more study for english
